

The SMART procurement solution for you!

SMARThealth is a comprehensive program developed by Strategic Market Alliance to simplify your purchasing decisions! SMA is a national distributor of housekeeping, dietary and laundry products. Our distributors are dedicated to delivering the highest level of service and support to the healthcare industry. Because we touch our customers on a daily basis, we truly understand their challenges and are able to customize our programs to better deliver economical solutions centered around quality of service.

Let us help you meet regulatory needs while managing budgetary constraints!

Allied-Eagle, a SMA distributor, has a very long standing and successful track record of providing the SMART solutions to all their healthcare customers. We employ Healthcare Specialists who are members of APIC, AHE and ISSA. Through these memberships, they are able to stay current regarding regulatory mandates and secure continued education that meets industry standards.

We focus on your most important issues:

- ⇒ Regulatory updates / challenges
- ⇒ Patient, Resident and worker safety
- ⇒ In-servicing training / HCAHPS
- ⇒ Product research and testing
- ⇒ Program recommendations and training
- ⇒ Improved productivity
- ⇒ Sustainable / Green Solutions / LEED
